CHARLES COUNTY RADIO CONTROL CLUB

The Insiders Edge

SPECIAL EDITION

HAPPY BIRTHDAY AL DAVIS!

On February 26, 2006, club members got together to celebrate the birthday of one of our distinguished members. How many other clubs have an active flying member that is 90 years old!!!

From the Webmaster	3	Club Secretary:	Charles Russell	301-873-2630
Cover Page	4	Newsletter Editor:	Dave Heil	301-843-7668

PRESIDENT'S COCKPIT

The February meeting did contain very much information, a few things that were brought up was the new person to mow the field this summer and the Joint Services Open House at Andrews Air Force Base. We considered a couple of different people and decided and voted on Howard Sesker as our new field mowing service. We should be hearing something from Andrews Air Force Base in the near future about our location at this year's Joint Services Open House. We are still looking for volunteers to help out for one, two, or even all three days. As always the Air Force requires some information and some that people may feel uncomfortable releasing, to put everyone at ease Mr. Vic Carden will be the only person collecting everyone's information. He will then give that information to the Investigations Office at Andrews Air Force Base. This is a necessary step so you can have access to the base.

The War Bird fly-in that was to take place two weeks after the Andrews Air Show at our fly-field has been rescheduled for the fall of 2006. We could use volunteers for this also, we will have food, drinks, snacks and whatever else we can make available for purchase to our guests and visitors. Once again I won't go into great detail as this event is being headed up by Dave Heil, and I'm sure he will get a flyer ready to go out about this event. Just another reminder to everyone that during the May meeting we will be viewing and voting on the winter building projects, if you haven't already started your project you might want to get what you can done in the next two months.

Those of you that have not renewed your dues there is a \$20.00 dollar penalty in addition to the \$50.00 dollars. The total to renew your membership is \$70.00 which will be good until 2007.

I don't have any additional information to pass this month, I wanted to be able to pass a few words about the WRAM show but was not able to attend at the last minute. A couple of other members were able to attend and may be able to put out some information as to whether or not the show was better or worse than last year. As always keep the clean side up and the dirty side down and by all means please stay out of the trees, most of all have fun and cut holes in the sky when you can.

NOTE FROM THE TREASURER

Treasurer's Report

As of February 27, 2006 the financial status of the club is as follows:

Previous balance (1/26/06)	\$5,649.63
Expenditures (since 1/26/06)	\$95.92
Total Income (since 1/26/05)	\$870.00
Ending Balance	\$6423.71

Expenditures included \$95.92 for sanitation at the field. Income was \$870.00 in membership dues.

Reminder, all club dues for 2006 that have not been paid are now considered late. All dues payments should now include a \$20.00 late fee. Dues for 2006 are \$50 for regular membership, and \$10 for a junior (under 19 years of age) membership. Proof of a current AMA membership is also required at the time of renewal. Dues are collected at club meetings, or can be sent to the treasurer at the following address:

David Fuller

6074 Sirenia Place

Waldorf MD 20603

Please ensure that all checks are made payable to: Charles County Radio Control Club. If you mail your dues, please include a photocopy of your 2006 AMA membership, or proof of payment if you have not yet received your current card. In addition, a self addressed stamped envelope is appreciated so that a sticker showing proof of club membership can be sent to you. If you have any other questions, please feel free to contact the treasurer at 301-885-1545, or by email: streakeagle2000@hotmail.com

FROM THE WEBMASATER

The winter building season is drawing to a close very soon. Make sure those projects are ready for the annual building contest to be held in May! The giant scale fly in is scheduled for the 2nd and 3rd of June and I hope we'll draw in some nice aircraft for the event. If you are at all interested, please enter the event! And finally, remember your shop safety! Ventilate your CA glues as indicated in the directions and when using solvents and other chemicals exercise caution. Some of the compositions of our chemicals are cumulative and permanent and can cause problems later in life. Be a safety conscious builder!
